

## LANGUAGE UK APPEALS POLICY 2020/2021

### Introduction

This policy is aimed at candidates who are enrolled on or have taken a Language Certificate approved qualification, who wish to appeal against a decision taken by Language UK, hereafter known as ‘the Test Centre’. It sets out the process you should follow when submitting appeals to us and the process we will follow when responding to appeals. This policy is also for use by our staff to ensure they deal with all appeals in a consistent manner.

Candidates must first go through the Test Centre’s appeals process before taking the matter to Language Certificate.

### Review Arrangements

We will review the policy annually and revise it when necessary in response to customer feedback or requests from, or good practice guidance issued by Language Certificate (e.g. to align with any appeals and complaints process established by relevant regulatory authorities).

### Appeal Types

Below, we have listed example “types” of appeal a candidate may make to the Test Centre.

- Appeals from candidates in relation to an assessment/examination on the basis that we did not apply procedures consistently or that procedures were not followed properly and fairly.
- Appeals from candidates relating to a decision made by the Test Centre following an investigation into a complaint about a candidate.
- Appeals from candidates relating to a decision made by the Test Centre following an investigation into a candidate’s behaviour when attending a Language Certification assessment/examination.

### Appeals Process

The appeals process follows 3 stages as set out below:

#### Stage 1:

Candidates should submit their appeal in writing to the Test Centre. The appeal submission must contain the following information as a minimum and be sent to Vice Principal Professor Ece Inan, Language UK, 9 St. George’s Place, Canterbury, Kent. CT1 1UT

- Candidate name and unique Language Certification candidate number.
- Title of the Language Certification qualification the appeal relates to.
- Full details of the nature of the appeal.
- Any supporting evidence that is being submitted to substantiate the appeal.

#### Stage 2:

Once the appeal is received by the Test Centre it will be dealt with internally by Vice Principal Professor Ece Inan, Language UK. We will aim to review and fully respond to your appeal in 15 days however please note, that in some cases the review processes may take longer, for example, if a candidate interview is required and/or further investigation. In such instances, we will contact you to inform you of the likely revised timescale. At all times, we will ensure that the Test Centre personnel assigned to carry out the investigation of the appeal, or to oversee and manage the appeal have the appropriate level of training and competence and that they have had no previous involvement or personal interest in the matter.

Following the review of the appeal, we will write to the appellant with details of our decision to either:

- Amend our original decision in light of the new rationale/evidence being put forward and which has now been reviewed; or
- Confirm we stand by our original decision and in doing so, the rationale for this decision, and request that you confirm, within 10 business days, whether you now accept this decision or if you wish to formally proceed to the Language Certification formal appeals process.

#### Stage 3:

If, after the Test Centre’s final decision you are still unhappy with the decision then you should follow the Language Certification appeals process outlined in the Language Certification Appeals Policy.
